PLANNING AND INSPECTION DEPARTMENT – LONG RANGE:

The Long Range Planning section has reviewed the plat has no objection. The applicant should review the following informational comments:

- 1. A revised Preliminary Building Scale Plan for the area of this plat was approved on August 14, 2018.

With regards to Lot 2, Block 13, please note that, as per Title 21.50.060(B)(1)(a), only one building in excess of 200 feet in width shall be permitted in a single pedestrian shed, regardless of permitted lot width. The building on Lot 5 of Montecillo Unit 10, as depicted on the Preliminary Building Scale Plan approved on October 25, 2016, appears to be the designee for this exception. PLANNING AND INSPECTION DEPARTMENT – LAND DEVELOPMENT:

We have reviewed subject plats and recommend Approval.

The Developer/Engineer shall address the following comments.
